## Miss Desiree Jones Weds B. G. Norton In Nashville

The marriage of Miss Desiree Jones, daughter of Mr. and Mrs. C. G. Jones of Murray, to B. G. Norton, son of Mr. and Mrs. C. R. Norton of Sulligent, Ala., was solemnized Sunday evening, June 9, at 6 o'clock at the home of the bride's sister, Mrs. Wiley Henderson, and Mr. Henderson on Litchey Ave. The Rev. O. B. Johnson, pastor of the Medford, M. E. Church, officiated in the presence of members of the families and a few close friends.

The attendants were the bride's sister, Miss Estelle Jones and the groom's brother, Chas. E. Norton. Miss Mildred Tribble and Robert E. Baldwin.

Preceding the ceremony Miss Myrtle Jones sang "At Dawning" and "I Love You Truly." She was accompanied by Miss Alberta Bennett, pianist, who played Mendelssohn's "Wedding March" for the entrance of the bride party. During the ceremony Miss Bennett played "Meditation."

The marriage vows were read before an altar in the living room, built of cut flowers and pot plants in front of the fire place; on the mantle shelf was an arrangement of spring flowers. On each side of the mantle were white candles, immediately in front were six-branched, white candelabra holding white tapers and cut flowers.

The bride who entered with her sister wore a pastel blue chiffon with pink accessories. She carried a large arm bouquet of sweetheart roses and carnations tied with pink ribbon.

The bride's-maid wore an orchid chiffon with white accessories. Immediately after the ceremony the bride and groom left for a motor trip to Alabama. On their return they will make their home with the bride's sister, Mrs. Wiley Henderson.

Mrs. Norton was graduate from Lynn Grove High School in the class of 1933, and the groom was graduate from Sulligent, Ala., high school. He holds a position with the Dupont Cello Co. of Old Hickory.

Mrs. B. O. Langston recently had as her guests her nieces with their families. Included were Mr. and Mrs. Wilbert Outland and Leticia Outland of Princeton, Mr. and Mrs. Jim Moss of Paducah, Mr. and Mrs. Thomas Redden of this city, and Miss Rubie Eudora Smith of Benton.

## Lovely Tea Is Given For Mrs. O. C. Okell of Los Angeles

Mrs. Marvin Fulton entertained Tuesday afternoon, with the first of a group of parties she is having in compliment to her sister, Mrs. O. C. Okell of Los Angeles, California.

A profusion of roses and sweet peas artistically arranged in the

rooms carried out the pretty color scheme of pink, yellow, and green. The guests were received in the spacious living room by the host and honoree. Assisting them in receiving were Mrs. B. O. Langston, Mrs. B. P. Scherffius and Mrs. N. P. Hutson.

The tea table was most attractive with a lace cloth, a centerpiece of sweet peas and silver table accessories. In the dining room were pieces of the host, Mrs. Gingles Wallis and Mrs. Muke Overbey Jr., presided at the table while the guests were served by Mrs. Fulton Farmer, Mrs. Laverne Wallis, Miss Sarah Wallis of Memphis and Mrs. Thomas Redden.

Forty-seven called during the hours.

## Miss Modella Hendrick, Claude Miller Harry

The marriage of Miss Modella Hendrick and Mr. Claude Miller of this city was solemnized at the home of the bride's parents, Mr. and Mrs. C. M. Hendrick, West Poplar street, June the eleventh at 6 p. m.

In the presence of the immediate families, the impressive ring ceremony was read by the Rev. W. W. Dickerson before an improvised altar of shasta daisies and ferns.

Mrs. Miller was lovely in a shirt waist model of white lace over tulle. She wore a picture hat and carried a shower bouquet of double Alaska daisies and ferns.

Miss Thyra Dell Story, Paris, Tenn., a cousin of the bride, was bride's-maid. She wore a wild rose, dotted mousseline de sale and a picture hat with trimmings to match and a shoulder corsage of sweet peas.

Robert Weeks was best man. Mrs. Miller is a graduate of Murray High School and is very popular among her friends.

Mr. Miller is the son of Mr. and Mrs. Frank Miller, of near the city, and is circuit court clerk of the county.

Immediately after the ceremony the bride and groom left a motor trip through eastern cities.

After June 19, they will be at home in their newly built residence on South Sixth street.

## Attempting the Role of Xerxes The Great

Lieutenant Governor A. B. Chandler, in his campaign speech here on last Saturday afternoon for the Democratic nomination for governor, devoted practically all his time, in a malicious satire directed against the present administration, lampooning Governor Ruby Laffoon and ridiculing the Governor's choice for the nomination. It has been said that the political path in Kentucky are strewn with the bleaching bones of men who used abuse and vituperation as their sole weapons in party battles. How many Democrats have occupied the pardon-granting and colonel-making office in the past who have gone to the governor's mansion by this method.

Chandler seemed to us to be becoming Governor-made and seemed to be attempting the role of Xerxes the Great and was notoriously piquantizing others for his pains. Chandler's speech was racy speaking and sounded good, as far as it went. He said many true things, perhaps, and many things about himself that will stand up, but it was certainly not convincing argument in the speech.

er's behalf when voters of Kentucky and Hickman county consider the problems that face the State today.

So far as we could gather from his speech, he committed himself on only two things that he would do if elected Governor of the Commonwealth. He said that he would repeal the sales tax law and would ask the Legislature to authorize the State Highway Commission to accept for maintenance and to maintain the important county roads, relieving local county taxes. Is that enough? Is it enough to do away with the sales tax law or to tear down something and not even suggest what would be put in its place? Where will he get the money to operate the State government. Will he stop giving relief, \$3,000,000 yearly? Will he reduce the school per capita? Will he take away the \$3,000,000 that is going annually from the sales tax to counties for road work? Will he put the tax back on real estate? Will he substitute graduated income tax? Will he tax whiskey as it comes from the stills? Will he invent what new form of taxation? THE PEOPLE WILL WANT TO KNOW!

He promised to economize in the operation of the State government. That is popular! That is what the

people of the State want. But, if the evidence is against him, his statement that he will reduce expenses, then why didn't he tell the people of Hickman county where he would reduce them. That he did not tell where he would effect this economy is sound reasoning that he is either not sincere in his promise or that he does not know where they can be reduced and in which event it is altogether doubtful that is suitable timber for governor of the Commonwealth of Kentucky.

There are certain things that the Democratic voters of Kentucky are going to demand that they know before they cast their vote this year. It is time that the voters are making this demand. They will, doubtless, want to know where the tax money is coming from; if the candidate is going to reduce expenses in the operation of the State Government, and if he is just how, where and when he is going to bring about this reduction. It is time the voters are getting some direct commitments from the candidates and seeing to it that they are held to it.—Hickman County Gazette, Clinton.

For many years Murray Post has been one of the most active in the state and just a few years ago, under Mr. Hart's leadership as commander, won the handsome silver cup awarded at the state convention, for showing the biggest increase in membership over the previous year of any post in Kentucky.

Mr. Hart was commander here for several years. During his tenure of office the local organization was built up tremendously, finally reaching the all-time high-water mark of 251 members in 1931. He was honored with the longest term of commandship of any person who has ever held that responsible office.

He is well and favorably known to all Legionnaires throughout the district and his election should be without contest.

## Softball Notes

Attendance last Thursday night was the best of the season to that time. A little over \$17 was realized at the gate. This made Harry Jenkins, who is holding the bag for the lighting investment, feel a little easier. Harry was on the gate and nary a jitney escaped his eagle eye.

A few more trades were made before the going rang with the end of the first round of play. Rexalls traded James Parker to Parker's Garage for O. B. Boone. O. B. started last year with Parker while James Knight was a new comer for the corner Druggists this year.

The Bluebirds, so far the biggest traders in the league, made another deal when they swapped James Swann, an infielder, to the Bank of Murray for Thurman, an outfielder.

Unless attendance increases it is extremely doubtful whether softball will be played next year. Receipts at the present pace are barely sufficient to pay operating expenses without paying anything whatever on the huge investment in lights.

Cold and rainy weather has kept away the fans but another drawback is the delay each time in starting the games. One never knows whether the frays will start at 7:30, 7:45, 8:00 or afterward. It looks bad, too, for the players to be showing up long after time for the game to start.

Monday night's battles were played between 3 of the 4 second division clubs. The only 1st division team in the night's play, Model, was defeated. Had Vandy beaten Parker three clubs would

have been tied for 5th. As it was, Parker tied Jones for 4th, left the Rexalls in 6th by themselves and put the Plumbers back in the cellar with the Bank of Murray.

Hafford Parker came up with a splendid new player in Harry Hurley, a second baseman. Hurley was signed before the 7th game but didn't get in it. He got a pair of hits and scored 2 runs in 4 tries as well as fielding ably.

Miss Modelle Hendrick Honored With Shower  
Misses Marelle and Eva Grey Ward were guests at a surprise shower Thursday afternoon, June 6, complimenting Miss Modelle Hendrick, bride-to-be, at the Ward home on West Poplar.

Clever games and contests were features of the hour.

At the conclusion of the social hour, Master Joe Pat Hackett, son of Mr. and Mrs. Pat Hackett, entered the artistically arranged room where a profusion of spring flowers were used. Master Hackett was dressed as a "miller" with a solid white cap, trousers, and apron and carried a large bag filled with gifts. As he approached the honoree, he stated, "I'm the 'miller' looking for Miss Modelle Hendrick."

A delightful ice course was served by the hosts.

WHEN you choose your 1935 car, think how it will compare with the new cars a year or two from now! That's what will decide its trade-in value.

Who will want to be driving—then—with anything less than complete steel protection? Terraplane gives you that protection now, in America's only bodies all of steel.

Will you want brakes that are up to date or out of date? Terraplane's

police-tested brakes have cut "perfect stopping" almost in half in public tests from coast to coast.

Performance is always important...and Terraplane has record-breaking performance today, certified by 36 official marks on the A. A. A. record books.

So it is with many other features found in no other lowest price car. Drive a Hudson-built Terraplane today. See for yourself how far ahead

of its time it is—in ruggedness, performance, safety—as well as style.

See the New Hudson Country Club Sedan—124" Wheelbase—113 or 124 H. P.—\$585.00 f.o.b. Detroit. More inside body length by 5½ to 7 in. than sedans costing \$180.00 to \$375.00 more.

## CAMP MURRAY CHATTERS

By Wm. H. Martin, Jr.

The Cubs defeated State Park Camp No. 3 Columbus, Sunday afternoon on the Clinton Athletic Field. Murray took the lead in scoring Farley and Downey making runs in the first inning. Columbus took a one score lead in the eighth. Murray tied the scores during the ninth when Downey came in on a passed ball. Davis stopped a ball in his territory. Hayes, opening pitcher for Columbus, made four hits and was replaced by Thorndyke in the sixth inning. Boomer, third sacker, made an exceptional catch off of Cunningham. Meyers made the winning run for Murray in the tenth inning.

Runs: Murray, Downey, Meyers, Williams 2, Farley, Holmes, one. Columbus, Havers, two. Limon, Cerny, Kenik, Morgan, one.

The Cubs are scheduled to meet Cadiz, with whom they played a 12-inning game on June 1, on the Murray High School Athletic Field Saturday afternoon.

With a practically new lineup, the camp lost the softball game to Columbus on the Columbus diamond. Mills started for Columbus with two home runs and several difficult outfield catches to his credit. Groesch made a home run for Murray. He and Kuykendall made several nice catches in the outfield.

A nice group was out Sunday morning to the camp worship service. The Rev. E. B. Motley of the First Christian Church, was in charge. A small group attended late Catholic Mass at St. Joseph's.

## Church at St. Joseph's

Earl Chambers, educational assistant, is confined to the camp dispensary by illness.

A new billiard table has been added to the recreational equipment of the camp. It has already proved to be a very popular addition to our set up.

## COUNTY AGENT NOTES

4-H Club

Six 4-H Club boys and girls wish to thank the following list of contributors for their trip to Junior Week at Lexington: V. C. Stubblefield, Ryan & Sons, Prentice Holland, Lee & Elliott, Geo. Hart, L. J. Horton, Frazee, Berry & Melugin, T. Waldrop, Model Cleaners, M. O. Wrather, Bun Swann, Max Hurt and Kirksey community, Beale Motor Co., Robert S. Jones, Diagonal Furniture Co., Graham & Jackson, W. T. Stedd, and Corn & Austin.

All enjoyed the trip and are grateful to the above. Those making the trip were: Tennie Wilson Rogers, Odine Swann, Dorothy Nell Stark, Bob Gingles, Miltstead James, and Robert Outland. J. T. Cochran, county agent, wishes to thank these people for their support at this time, too.

## Special Base Contracts

Special base contracts are ready for signatures and all producers should strive to sign as soon as possible. Final allotments can be given now at time of signing.

Word has been received from the Tobacco Section that those producers who signed Rider "B" contracts and sold their base pounds free of tax are to help to pay the expenses of the program. These producers received just as much benefit from the program as those that signed early and it is not fair or right to those who signed and reduced their crop to let the Rider "B" contract signers get the same benefit without paying their share of the cost. The original signer gets a benefit payment but he did not get to sell his base pounds at the Rider "B" did. Thus Rider "B" and original signers receive about the same benefits from the program.

The county agent has received word that June 15 is the last date to apply for a seed loan. Please attend to this Saturday if some one wishes to apply.

Marketing cards are about ready for signatures now and one should act promptly when notice is received. We will try to wait upon anyone now. I would suggest you come to the office the first time.

This county agent has received a supply of bulletins explaining the construction of the traps, made fly trap. These are free and may be received by writing or calling at the office. Let's start a wholesale destruction of flies. Flies cause more trouble by spreading diseases among livestock than any other one thing. Many poultry diseases can be completely controlled by destroying the fly. The poultry worm must have an immediate host of fly beetles, snails or bugs and the fly is the most common. Without these hosts, worms of poultry would be a thing of the past. A fly trap at each stock barn and poultry house should be the slogan of every farmer.

## Committee To Ask For Bids On Jail

The Calloway county building committee composed of the county judge, county attorney and county clerk were ordered by the Calloway county fiscal court to procure plans and specifications for a county jail which will not exceed \$38,000. The erecting of a county jail has been a matter of contention for months and the numerous escapes from the jail and the fact that the jail is in need of a new county jail is needed.

County Treasurer Tremon Beale, was ordered to pay any and all warrants not exceeding \$1,000. The court ordered that the county pay \$10 per month after July 1 for rents for the relief offices and a donation of \$100 was made to the Kentucky Childrens and Orphans Home. Other expenses allowed included the allowing of numerous claims against both the general fund and the road and bridge

## A Confession and a Plea

I've got a picture starting at the CAPITOL THEATRE Sunday, and honestly folks, I don't know how to tell you how good a picture it is.

The ordinary press terms sound banal and trite when I think of them in connection with this picture.

I see an average of two hundred pictures a year and when I get excited about one, it really has to be good. And this one is perfectly swell.

If I were to tell you that it is the gayest, smartest comedy of the year, you'd think it was propaganda and probably say, "you'd heard that before."

But—

If I told you I like to see people come to the Theatre when I know they are going to enjoy themselves—

If I tell you that you'll like this picture so much you'll want to thank me for urging you to see it—

Well, I'm telling you; and if you don't believe me, you are going to cheat yourself of the finest evening's entertainment you've had in a long, long time.

CLIFTON MORRIS

IT STARTS SUNDAY AT THE

## CAPITOL

## Across the River

Here I am again tho the world seems to rock along nicely without me.

I wonder if the calendar man got his months mixed up this time or why we must have fires in June and hickory nuts and beechnuts are already almost full grown. Even dahlia and cosmos are blooming too.

The club meeting was held at Mrs. Willie Crutcher's last Wednesday and tho we may have profited more by Miss Gaffin's bread and roll demonstration, we derived as much pleasure from exploring the huge, old log house and admiring the beautiful crocheted bedspreads and other things.

Next month we will be learning about personal grooming, and I'm thinking that after all the months of gardening, chickening and housecleaning, the most of us will need some hints on self renovation.

We went to Clarksville last Monday and I only wish that the road to Murray was as good as that road. I never mind the bumps so much, for every jar is patiently borne when I'm on the home stretch.

Miss Geneva Spiceland with a guest from Springfield spent a few days at home last week end.

Lloyd Spiceland from Murray College spent his weeks vacation helping to plant corn.

If all the people who attended the Sykes-Woffard reunion at Mint Spring Sunday were relatives, I don't know of a larger family.

Mrs. Clarence Vincent and daughters spent Sunday with Mrs. Clyde Spiceland.

Mrs. Edward Lovins, Mr. and Mrs. Otis Lovins and children and Rainey Lovins spent Saturday night and Sunday with Mr. and Mrs. Linus Spiceland. Tennessee is a fine state if it could make room for all the Kentucky people too.

News is scarce so I'll have to wait for some new events.

P. S.—It will take this as long to get to Murray as it would to Detroit for our Paducah paper gets here three days late and the Ledger often comes Monday.

—"Chatterbox"

## GIVES BUFFALO TO ZOO

Dr. Will Mason has given the half-breed buffalo which he has had for several years to the Memphis, Tenn., zoo. "The animal has created much interest here in Murray and many visitors have called to see it. It is a cross breed between a buffalo and a cow."

## WHAT HAPPENS WHEN YOU ASK FOR A LOAN?

WHEN you request a loan here the officers serving you always asks himself this question: "Suppose it was my mother's money . . . would I approve of the loan?" He doesn't ask himself: "Suppose it was my money?" for a man may take chances with his own savings.

Passing on requests for loans is the biggest job we have. We want employment for our depositors' funds and we are glad to loan to responsible parties or firms. But "Is it a safe loan?" is a question that comes first and first again . . . and so we loan only on securities or property with a definite market value or on good "commercial paper"—the note of a growing, earning business under sound management.

Sound Picture To Be Given Free to Public 1 P. M. at Murray.

### COMMERCE CLUB IS SPONSOR OF FEATURE

Under the sponsorship of the Murray Chamber of Commerce, the TVA educational film, "A National Program in the Tennessee Valley," will be shown free to the public at the Capitol Theatre Thursday afternoon, June 27, at 1 o'clock.

The management of the Columbia Amusement company generously agreed to show the film free of charge, cooperating with the Murray C. of C. and the Tennessee Valley Authority. The feature is a sound film with voice and music. The United States Marine Band Orchestra provides the music accompaniment. Requiring 48 minutes to screen, the film contains five reels.

Among the scenes listed are views of the power dams, construction projects, land reclamation, and social and economic development.

Murray Chamber of Commerce officials believe the film will have great educational value, especially in view of the fact that the Aurora Dam is likely to be one of the TVA projects in the near future, the construction of which will be along lines similar to those portrayed in the TVA film.

W. L. Sturdevant, director of the division of information of the TVA at Knoxville, Tenn., is in charge of arrangements for showing the film throughout this section of the United States.

### GRANTED PERMIT

C. O. Beach has been granted a building permit to construct a filling station and business place on North Fourth street across from Outland's factory. Mr. Beach has stated that work will begin in a few days.

## A Short Time Ago—1907

MURRAY LEDGER, March

O. T. Hale and W. W. Stubblefield left Monday for St. Louis to buy seasonable goods.

A daughter was born to B. F. Schroeder and wife the past week.

John and Lee Barnett, well known citizens of Almo, have completed hauling their tobacco.

Miss Hattie Cook returned last week from a visit in Louisville as guest of Miss Jeanie Barnes.

Mrs. June Crawford, of Union City, is the guest of Mrs. L. M. Overby.

Cul Holland was elected member of the Calloway county Democratic committee to replace Will Linn.

Dr. Will-Mason last Saturday purchased the property and franchise of the Independent Telephone Co.

L. W. Holland says city taxes are due.

Captain Tipton A. Miller, died at his home in the city Wednesday morning. Mr. Miller had been in bad health for the past ten years. He enlisted in the Confederate Army and was first lieutenant in the company organized here by Col. G. A. C. Holt. Captain Miller served this county in the state legislature from 1877 to 1880.

Mayor Hughes and the city council appointed a street lighting committee composed of O. J. Jennings, Taz Sled and J. B. Hay to meet with the owners of the light plant.

Several sheep shearing demonstrations were held under the sponsorship of the Adair county wool pool association.

Grayson county farmers are making plans to use large amounts of marl and limestone during the summer and fall.

## ANNUAL SINGING HERE JUNE 23RD

Singers From All Over West Kentucky and West Tennessee to Attend 15th Session.

The fifteenth annual singing will be held here the Fourth Sunday in June, the 23rd, at the Calloway county courthouse. Hundreds of persons are always on hand for the Calloway singings and a record crowd is expected to attend this year.

Several well known quartets and singers have been given invitations and an open invitation is given to all. Much interest is held, in old harmony singing in the county and there are many song leaders here. Mr. John Key is again assisting in making arrangements for the singings.

## Mrs. J. M. Thomas Hurt In Wreck

Mrs. J. M. Thomas received bruises and injuries when the car in which she was riding with her husband and family was struck by a gravel truck Thursday, May 23, near Charleston, Mo. Mr. and Mrs. Thomas and family were en route to Excelsior Springs, Mo., where they were to attend a meeting of the Christian Union church. After being treated for the injuries to the family the trip was continued.

Mr. Thomas spoke at the church Sunday, June 2, at 2 o'clock on the "Personality of Christ in Contradiction." Mr. and Mrs. Thomas made the trip from their home by car with camping equipment and returned to their home Saturday morning. Their trip included about ten days.

Mrs. Thomas, the most seriously injured, is recuperating nicely and no permanent ill effects is expected.

Plans call for terracing of 5,500 acres under the direction of the CCC in Marshall county.

Crittenden county farmers expect to receive approximately \$20,000 for strawberries.

## President's Criticism of Supreme Court

Some loud mouthed Congressman from away out west, where the dust storms come from, says Roosevelt should be impeached for "criticizing the Supreme Court of the United States, when all that Roosevelt said, regarding the N. R. A. decision was: "This decision, in effect, takes us back to the horse and buggy age."

Well, let's see what Abraham Lincoln said about this same august body, after a similar decision was handed down. We quote Abe:

"If the policy of the Government upon vital questions affecting the whole people is to be irrevocably fixed by decisions of the Supreme Court the people will have ceased to be their own rulers, having to that extent practically resigned their government into the hands of that eminent tribunal."

Abe wasn't impeached by the Republican congress, but Andrew Johnson, who succeeded Lincoln, was trying to carry out Lincoln's policies, after his assassination, came within one vote of being impeached by a Republican congress, and the lone Republican whose vote prevented it was not allowed by his Republican constituents to come back home.

Probably that Republican congressman from away out west has been so blinded by the dust he has raised that he cannot read. So what's the use. We doubt if he has ever read the constitution. A lot of folks who are whooping it up for the "constitution" have never read it, and never will read it.

## County Teachers To Be Examined

The Calloway county school teachers must be examined and qualify for a health certificate before being permitted to teach in the county schools.

Dr. J. A. Outland, county health officer, is making the inspections and has set Monday and Wednesday morning for the work. Teachers are asked to come in at an early date and during these hours only.

## Review of the Years Work, 1934-35, of Faxon High School

By Audie Folwell

Faxon school wishes to thank the Ledger & Times for their unvarying kindness and courtesy during the school year of 1934-35. We wish now to make a resume of the year.

English IV class, who were the publicity directors, made scrap books of clippings of our publicity items. The Ledger & Times has published about 400 inches of the material this class has sent in. They have clipped and pasted about 250 inches of general county school news in which Faxon is concerned from the county paper, the Paducah Sun, and the Courier Journal.

In the issue of October 11, 1934, the plan to have active reporters from the elementary grades and the clubs was instituted. The class of 1940, which enrolled during the year 32 members, also sometimes reported. The editors were: Jerlene Bogard, Oveta Bogard, Orpha Bratton, Wilma Carraway, Joseph Clark, Alvis Colson.

Vera Duncan, B. C. Grogan, Raymond Morris, Edna Mae Roberts, Harold Story, Hafton Tuft, Orvel Walker, Lorene Wells, and Lester Workman.

### Opening Exercises

George Hart, cashier of the Bank of Murray, gave the opening address at Faxon High School August 27, 1934. The talk, both inspirational and practical, was on "Opportunity." Elder Luther H. Pogue, conducted devotional exercises by reading Romans 12:9-12, making a few remarks on Hebrews 6:1, "Let us go on unto perfection," and by leading in prayer.

Guy Billington, principal, introduced the faculty: Mrs. Lily Story, Miss Edith Winchester, Miss Mildred Swann, Miss Audie Folwell, Conn Barnett, and J. H.

### Closing Exercises

The opening of school promised a successful year, and that promise was wonderfully fulfilled to the last day of the school.

The juniors gave the seniors, faculty, and faculty wives a delightfully informal reception Monday evening, April 29. Folk games, contests, and conversation were completed with lovely refreshments consisting of sandwiches, iced drinks, cake and ice cream. The rooms were decorated with ferns and great pansy violets.

"A Daughter of the Desert", the junior-senior play sponsored by Mr. Billington, was presented Saturday evening, May 4. It was said to be one of the best plays ever presented at Faxon, but on account of the bad weather and much sickness a small audience was present. At the request of several persons, the play was repeated with a fair audience on Saturday evening, May 11.

The baccalaureate program, Sunday afternoon, May 5, followed: Processional, Miss Jones at the piano; chorus: the school; prayer led by Elder D. W. Billington; chorus; sermon by Elder Carroll Hubbard; recessional; benediction. Talent or activities night was held Wednesday, May 8. Programs were prepared for two nights, with Miss Jones' students interlarding the student numbers, but on account of the illness of several students, both of the school and of Miss Jones, the programs were combined into one. The three men teachers attended the political rally and Gen. Hugh Johnson's speaking at Mayfield, Monday night.

The literary societies, the N. R. A. and the Leaders League, continued on Page Two

## S. Pleasant Grove

Clifton, son of Mr. and Mrs. Farris of Spotherman school district, was reported critically ill Sunday.

Mr. and Mrs. Leon Phillips and children attended services here Sunday. They returned to their home in Detroit Monday. Sue, a daughter of Mr. and Mrs. Phillips, favored the Sunday School with a lovely reading.

Mrs. Berryman of near Boydsville who is visiting her brother, H. H. Dunn and family, also attended the services here Sunday.

Miss Mildred Wreather is visiting her sister, Mrs. McCamish and family of Chattanooga, Tenn.

The Rev. and Mrs. Carl Smith are visiting friends in Paris.

Miss Annie Baker and brother, Votelle, attended the Children's Day services Sunday afternoon at Mason's Chapel and Sunday evening at Hazel.

Last Friday, Mrs. Bert Moore joined in a family reunion at her parents' home Mr. and Mrs. Wilson of near New Hope.

Miss Leila Ellis is attending as a delegate from Pleasant Grove Epworth League at the assembly at Jackson, Tenn.

Mr. and Mrs. Paul Spann and family of near Protomus visited Mr. and Mrs. Hughes Paschall Sunday.

Mrs. Joe Charlton and Ila Nell Nesbitt were leaders of the prayer meeting at the home of Mr. and Mrs. Coll Phillips last Saturday evening. Mrs. Toy Brandon will be leader for the services at the home of Mr. and Mrs. Quilman Walker's next Saturday night. The services will continue about one hour including quotations and answers to Bible questions given for research work during the week. Charles James and Jesse Brandon who are attending a Paducah business college, were week end visitors with home folks.

"Search the Scriptures" is a Bible command.

## COUNCILMEN NAME TAX SUPERVISORS

Tax Rate Set Same as Last Year With 20 Cents to Sinking and 70 Cents to General.

The Murray City council set the tax rate for the coming year with 20 cents for the sinking fund and 70 cents for the general fund. The rate is the same as for the past year.

The board of supervisors named were: O. H. Holland, Dr. P. A. Hart and Tom Fain.

A lengthy session was held with considerable discussion regarding the sewerage system under construction. Ordinances were discussed and passed meeting the requirements of the P. W. A. from which funds were secured for the construction. Other minor business of the body was attended to.

## Call for Republican Mass Convention

A mass meeting of Republicans is hereby called to meet at the courthouse in Murray, Ky., Saturday, June 15, 1935, at 1 p. m. C. S. T.

The purpose of the meeting is to select delegates to a State convention, meeting in Lexington, Ky., June 18, 1935, to recommend to the Republican electors of Kentucky for their consideration and approval or rejection, candidates for the various state offices excepting candidates for Governor, to be nominated at the August primary election.

Respectfully,  
P. A. HART, Chairman  
Calloway Co. Com.

Fourteen Lawrence county boys will grow an acre each of Johnson County White corn in the state 4-H club corn growing contest.

## 1935 Is Building Year!

We say that 1935 is building year because we know . . . the years 1928 or 1932 or any year since or during that time there has not been a period in which you could build as economically as during 1935.

We say again for the reason that money will be cheaper due to inflation that is assuredly coming in some form or other.

In other words the home that you can build today for something like \$2,000 will be worth something like \$2,700 within 12 months.

Ask anyone who has built a home within the last three years about costs and then get our estimates and you will know that 1935 is building year.

Lumber prices have advanced in some lines and we have every reason to believe that further advances are coming. If you are thinking of building—we invite you to talk over your plans with us. We know that we can show you that 1935 is building year.

ducted a contest throughout Commencement Week, but principally on this night, with readings, musical numbers, two one-act plays, and a debate. The N. R. A. won in two events, the debate and the play, but the Leaders League won in the other activities. In the scoring system worked out, the N. R. A. with Mr. J. H. Walston as sponsor, won by two points over the Leaders League, led by Mr. Cona Barnett. The contest and activities night were so popular that they will likely become annual events.

### KENTUCKY-TENNESSEE LIGHT & POWER COMPANY

Murray, Kentucky

The annual picnic was enjoyed Thursday, May 9, at a favorite site, Pine Bluff. Boating, climbing the bluff, and just resting and chatting and abundant eating were the order of the day.

The program Friday evening, May 10, brought to a successful close one of the best years and one of the greatest weeks in the history of Faxon High School. A large and attentive audience attended, as throughout the week. Hon. Waylon Rayburn's address on "Vision" was exceptionally good. The program follows:

March—Miss Jones at the piano; musical readings, Miss Carrie Brandon; announcements, Mr. Billington; musical readings, Virginia Collie and Juanita Roberts; address, Hon. Waylon Rayburn; presentation of High School diplomas and of eighth grade diplomas, Mr. Guy Billington; march.

Attendance—

Ivin Thompson, eighth grade, attended every day of school; Virginia Collie, ninth grade, missed only April 1; Sadie Nell Dyer, seventh, and Verne Ragsdale, eighth missed one day each; Nann Walker, seventh, Juanita Roberts, ninth, and Voris Parker, ninth, were absent each two days, and Wayne Dyer, tenth grade, three days absent.

Scholarship—

No honor is given for more than one "C" for each semester. Some of the grades are for only one semester.

Seventh Grade: Thomas Carraway, 4 B's; Sadie Nell Dyer, 4 A's; 4 B's; Edna Mae Giles, 1 A, 3 B's; Anne Henslee, 3 A's, 4 B's, 1 C; Hattie Mae Maupin, 1 A, 7 B's; Elwood Phelps, 1 A, 6 B's, 1 C; Keith Ross, 4 A's; Annie Helen Ragsdale, 6 B's, 2 C's; Nann Walker, 6 B's; Freeman Shekell, 4 B's.

Eighth Grade: Howard Ross, 1 A, 3 B's; Edna Mae Tuth, 3 B's, 1 C.

Ninth Grade: Virginia Collie, 7 A's, 1 B; Voris Parker, 2 A's, 5 B's, 1 C; Royne Phelps, 3 A's, 5 B's; Juanita Roberts, 6 A's, 2 C's.

Tenth Grade: Roy Cunningham, 1 A, 6 B's, 1 C; Wayne Dyer, 6 A's, 2 B's; Rex Fawcett, 3 A's, 4 B's; Wilson Gantt, 7 A's, 1 B; L. V. Ross, 1 A, 2 B's, 1 C.

Eleventh Grade: Jerlene Bogard, 7 A's, 1 B.

Clubs and Societies.

The Leaders League gave the other society a party October 4. The N. R. A. returned the compliment April 24.

The N. R. A. presented the play, "The Wild Flower of the Hills," Oct. 27. The Leaders League presented "Mammy's Lil' Wild Rose" April 6. The commencement week contest of a debate, one-act plays, readings, and musical numbers, etc. has already been noted.

The Megarian Debate Club was organized September 28, 1934. The charter members were Alvis Colson, president, Wilson Gantt, vice-president; Harold Story, secretary-treasurer; Wayne Dyer, Cravel and Hamilton Walker, Voris Parker, Clarice Grogan, Juanita Roberts, and Jerlene Bogard. The club was very successful with its weekly debates, adding several members almost every meeting. Until regular meeting of the club were abandoned for the regular debate teams. The varsity debate teams were Wayne Dyer, Juanita Roberts, Alvis Colson, Roy Cunningham, W. H. Farris, Wilson Gantt, Jerlene Bogard, and Opha Bratton. The teams each had a bona-fide debate with each of the other four teams of the county schools, and won second place in the county tournament. They lost to Hickman in the District tournament. Miss Audie L. Fawcett was sponsor of the Megarians and coach of the negative debate team, while Mr. Guy Billington coached the affirmative team.

Mr. J. H. Walston, vocational agriculture, was sponsor of Faxon F. F. A. Members of the club won second place in the county scholastic tournament in agriculture and won first in farm and garden products in the County Fair. The club is not affiliated with the state and national organizations.

Faculty Activities.

Mr. Billington, Mr. Walston, Mr. Barnett, Miss Folwell, Mrs. Story, and Miss Jones have degrees. Miss Winchester, Miss Swann, Miss Jones, Miss Folwell, and Mr. Walston attended college last summer, and Miss Winchester, Miss Swann, Mr. Walston, and possibly Mr. Billington, will attend this summer.

Faculty attendance at P. E. A. was 100 per cent. Mr. Billington and Miss Folwell attended the alumni banquet at Murray State College. All the high school faculty, excepting Miss Folwell, attended K. E. A. at Louisville. Faxon had 100 per cent attendance at the four county high school faculty banquets, at Lynn Grove, Hazel, Faxon, and New Concord. Hazel was the only other faculty to attend all the meetings.

project for the County Fair, the basketball team reached the semifinals in the county tournament, Freddie Hunt won second in the Ledger & Times-Courier Journal spelling bee in Calloway county, the debate team won second in the county and the school won second in the County Public Speaking Tournament, and the teams won second in agriculture and in current events in the county scholastic tournament. The team won first place in mathematics in the county scholastic contest (Mr. Billington coached the math students at Faxon), and the F. F. A. boys won first in the County Fair.

In the scholastic tournament for the grades, Faxon won fifth place, and in high school, fourth place, and in music, fifth place. In the 1st District Speech Tournament, Virginia Collie won third for poetry reading, and Wilson Gantt won third for extemporaneous speaking.

The agriculture library has added about 35 new books, 250 bulletins, and 12 periodicals. The general library has been increased by more than 50 volumes there are \$10.00 more which Miss Folwell and Mr. Billington mean to invest in fiction and accession ready for the opening of school in September. The school receives Current Events, the Scholastic, the American Magazine, and the Paducah Sun, and the faculty contributes some other periodicals.

Faxon Enters a National Contest, "The Scholastic News Test." Announcement has recently been received by Miss Folwell, who conducted the contest, from the editor of Scholastic Magazine that Wilson Gantt had won first place of the local group in the fourth annual news examination conducted by Scholastic, American high school weekly. Mr. Gantt will be awarded a fountain pen.

Of the 50,000 students who took the examination from 700 schools, Mr. Gantt must rate in the upper 10 per cent in order to win an award. Mr. Gantt is a sophomore. Rating a very close second to him was Miss Juanita Roberts, a freshman, who won the highest score among the 28 taking the current events test in the county scholastic tournament. She made a score of 90, while the nearest score in her class was 70. Mr. Gantt could not enter the county news test because he was scheduled for Agriculture II, in which he won first place.

Mr. Gantt is on the basketball team that came to the semi-finals in the county tournament in March 1935. Both he and Miss Roberts are on the varsity debate teams which won second place in debating in the county. In extemporaneous speaking, using Scholastic as his chief reference source, Mr. Gantt won first place in the Calloway County Speech Tournament, and third place in the 1st District Speech Tournament, comprising 11 counties, held at Murray State College.

The ten who won highest in Faxon High School in the Scholastic news test were Wilson Gantt, Juanita Roberts, Virginia Collie, Wayne Dyer, Roy Cunningham, Voris Parker, Rovene Phelps, Adon Williams, Hollis Roberts, and Oveta Bogard.

Only two of this ten were on the team that won second place in current events in the county. Of the seven high schools

contesting, Lynn Grove won first and Faxon second, and both are subscribers to Scholastic, the American high school weekly.

### Stella Gossip

Mr. and Mrs. Jim Cochran, Mr. and Mrs. Payton (Jake) Richerson, Ferne and Jim, Mr. and Mrs. Olan Story, Mr. and Mrs. Bee Cochran, and James enjoyed a fish fry and outing at Pine Bluff June 5. The men folks and the three chaps crossed the river and went to Dover, Tenn., and saw the big monument and the old Civil War fort there.

In the meantime the Lynn Grove M. E. Sunday School was also having a fish fry at the bluff. Hardy Rogers took them in his big truck. Nothing would do but they take L. Z. Hurley and like Crawford along that leg.

June is the busiest month there is to the farmer. Them city folks are crazy to visit out in the country and run every body else crazy.

Elder L. H. Pogue will preach in the Coldwater concrete church building Sunday at 2:45 p. m. As Bro. Motley would say, "All ways welcome."

Ice cream suppers have done set in at Coldwater to get the last nickel the strawberry pickers have received for hard work. That's the way the money goes—"Pop goes the weasel."

The wheat crop, which is fine, is about ready for the reaper and binder, and by the way, eleven-tenths of the farmers just absolutely (!!) let the hay crop ruin before they make any effort to mow it. All the sweet and green faded out, hard dry course stuff; no nutrition. Yes, yes your smile is to me a silly grin!

Had a letter from our grand niece, Miss Ruth Zeh of Lubbock, Texas. Her father, Duard Zeh, is a subscriber to the Ledger & Times which tells of their "kin" here; he also bragged on our Uncle "Eagles" articles. She sent me a photograph of ruins of that terrible dust and sand storm at their city.

I saw a man get knocked down between the Jew store and First National bank by a motor truck. He and about 40 other folks were up near the center of the street. Once I saw the Chief of the Police order people to stand back to the curb, but they will not. In big days it is dangerous on that crossing. You have no more chance for your life than a high-jumped, man-tooth man at a whistling match—"Eagle."

Carroll county farmers are reporting good returns from poultry, and are giving extra care to their flocks.

## Hazel F. F. A. Notes

The farm practice work gives the boys a real opportunity to learn by doing. It is of little value to study a thing in class and never put it into practice. Nothing becomes educative that is not used, so we must agree that there is no learning without practice.

The Hazel F. F. A. boys have all made a plan for each project in his farm practice program and now he is trying hard to carry out those plans.

The program of work for our members consists of the following projects: corn, 8; tobacco, 12; wheat, 1; garden, 5; dairying, 1; potatoes, 6; poultry, 5; hogs, 1; clover, 1; strawberries, 1; mare and colt, 1 making a total of 42 projects.

The following is a summary of one acre of tobacco produced by Clifford Brandon in 1934:

Horse Labor, 90 hrs. at 7c \$ 6.30  
Use of Land 3.20  
Fertilizer 2.36  
Tobacco Stalks 1.50  
Use of Machinery 2.70  
Storage 11.00  
Canvas and other costs .35

Total Cost \$26.91  
Income \$210.66  
Profit \$183.75

Hours of self labor—240

## WHOSE WORD WILL YOU TAKE FOR BLOWOUT PROTECTION?

LOW wheels, large tires, and the high speeds of today make blowout protection in your tires vital to your safety, as never before. Are you accepting exaggerated and unsupported advertising and sales claims—or are you accepting the judgment of men who risk their lives on their tires and know from experience the tire that gives them the greatest blowout protection?

Thirty-three race drivers and their mechanics lined up for the dangerous, grueling grind of the 500-Mile Race at the Indianapolis Speedway May 30th. Firestone tires were purchased and used on every one of the thirty-three cars. Not one of the drivers had tire trouble of any kind.

Gum-Dipping is one of the outstanding reasons why Firestone tires give such amazing performance. By this process every cotton cord is soaked and every strand is insulated with pure liquid rubber, preventing internal friction and heat, the main cause of blowouts. Gum-Dipping is a patented extra process not used in any other make of tire.

Protect your life and the lives of others by equipping your car with Firestone Gum-Dipped High Speed Tires—the safest tires built. It will be worth your time to read these three questions and their answers.

QUESTION 1—"Will the tread give me the greatest traction and protection against skidding?"  
ANSWER—Leading university tests show Firestone High Speed Tires stop your car 15% quicker than the best of other popular makes of tires.

QUESTION 2—"Are they built to give me the greatest blowout protection?"  
ANSWER—Unequaled performance records for sixteen consecutive years prove that Gum-Dipping gives you the greatest blowout protection ever known.

QUESTION 3—"Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?"  
ANSWER—Thousands of car owners report unequalled mileage records—evidence of the longer wear and greater economy of Firestone High Speed Tires.

**1** University tests show Firestone tires stop your car 15% quicker than the best of other popular makes of tires.

**2** Gum-Dipped cords give greater blowout protection. Gum-Dipping is not used in other tires.

**3** Wider, better tread gives more than 35% longer non-skid wear.

The particular area around which this story centers has long been known as the "Flatwoods." It is a level upland containing some eight or ten thousand acres of similar topography and characteristics.

Here during the period from the War of 1812 to the Civil War, settled the families of Callahans, Cannons, Grogans, Hendons, Henrys, Houstons, Hutons, Hunts, Mitchells, Perrys, Stones, Wells, Winchester, Williams, and others. These people were a conservative, law-abiding, and God-fearing community who believed the best and surest way to build a citizenry was through hard work, conscientious religious worship, and good schools. There three ideas have prevailed upon the present day.

These ideas have produced three far-reaching results. Tenantry is almost unknown in this area. Most all families own and farm their own small farms of from forty to eighty acres. Modern farm practices have not been adopted in this community as in some of the more progressive sections, and farm conveniences are not as numerous here as elsewhere but by hard work the people have always managed to live and educate their youth, most of whom have gone to other sections where financial remuneration is apparently greater.

Religiously, they early established themselves. There are five Protestant Churches of three different denominations, all of which are easily accessible to the people and were in the days of horseback and ox-cart transportation. So conscientious and law-abiding are these people that to the writer's knowledge not one of them has ever been tried in court on a felony charge.

Realizing the value of the three "F's" they early established the "district" school. We do not know just when the first schoolhouse was built, we think it must have been just before the Civil War. Earliest history obtainable shows that Major Cutchin taught there just after the war and Bart Hudsouth in 1888. The first house was torn down in 1876. It was made of logs with a stick and dirt chimney in the west end. A log was cut out on the north side of the window, slab seats were used. There was no bell but children were called to "books."

When this house was torn down a new log house was built, but it had glass windows and hinged seats. The second log house burned down in 1883 and the third house was built of sawed lumber. It had a blackboard. This house was placed a little south and west of the other and the name of the school was changed from Hunt to Stone after the men who had donated the land for the school. A fourth house was built in 1909. It is the one used at present. Another room was added in 1915.

The log houses were not only used for schools but for "side shows" and preaching of all denominations. The whole community gathered at these occasions. Many noted ministers of that day preached there, such as Billie Brush, Merideth Henry, and Doctor Osborne.

The boys and girls did not play together as they do today. Sometimes a furrow was plowed across the playground to separate them and no boy dared go on the girls' side except to recover a ball. But even with the furrow there were boy and girl sweethearts the same as today. However, the boys usually amused themselves at recess by playing townball, prison base, bull pen, stealing goods, and "eucure," a game played with marbles. Roll was called the last thing in the afternoon. Students who had not talked without permission answered "Perfect." Others answered "Imperfect." A favorite pastime of the boys was to lock the teacher out until he promised to treat with candy on the last day.

On Friday afternoons they had debates, spellings bees, and other exhibitions—sometimes they were held at night.

Jonathan Grogan, Mrs. Sallie Al-

len Holt, Billie Hendon, Tom Pool and wife, Mrs. Hattie Hunt Pool still love and own their homes in the community where they went to school.

Few rural schools in Kentucky have sent more people into the world to take their part in civilization than has Stone School. More than sixty teachers, teaching from one to five years each, have directed the elementary education of the pupils of Stone School. About one hundred fifty of her alumni have entered the teaching profession or have entered other professions. Several have entered the ministry. Some of them are Alfred Wells Lassiter, presiding elder and noted evangelist; Bryan Bains, Freeman Harris, and Rollins Winchester, pastor of the East Chester Baptist Church, Jackson, Tenn. She has her physicians and surgeon, Dr. Billie Stone, Benton, Ky. Dr. E. B. Houston, Murray, Ky. ahead with our praise on Dr. Rainey T. Wells, once president of Murray State College and now chief claim attorney for the Woodmen of the World, Omaha, Nebraska. One Dr. J. B. Hutson, of the Tennessee Division of the Agricultural Adjustment Act, at Washington, D. C. A Registrar, E. H. Cannon at Western Kentucky State Teachers College, Bowling Green, Ky. Besides there are more than a hundred rural teachers and high school principals.

## Parker Reunion Sunday, June 30

More about our Parker Reunion. From reports from Calloway county, it is the wish of many that we also hold a college reunion at the reunion that has been long wished for. Through the kindness of Popular Springs Baptist Church we have selected that place for the meeting the fifth Sunday in June 1935 being the date.

We wish to invite the Popular Springs folks to be our guests of honor. Next we wish to invite the Revs. Thurman and Ed Outland to be present and deliver a message for this occasion. We will present on some portion of God's word. There will be much singing of spiritual songs and many will have the opportunity to express themselves.

Everyone is expected to bring their luncheon.

We feel this reunion ought to include the Parkers, Evans and Outlands, also any who are related to the late Nathan Boone Parker by blood or marriage.

The family tree ought to be read if someone who has the time to look up the records will do so. Let us meet at 9:30 in the morning. The public is invited to worship with us. Let us pray for God's blessings to be upon us at this time.

Any good singers in Calloway county or classes from other churches are also invited to take part in our program.

## Public Hero No. 1 Is New Angle on Crime Situation

The Capitol Theatre is bringing "Public Hero No. 1" to Murray for Tuesday and Wednesday, June 18 and 19, as a counterpart to the films depicting the theme of public enemy number one. This new angle shows the work of the Government men spoke of briefly as "G" Men in their fight against organized crime.

True the criminal and gangster is in this new type picture but not as the leading parts but secondary to the "G" Men.

"Public Hero No. 1" is an authentic record, a great pictorial tribute to these men of the Department of Justice. Much of the story has been based on facts and for that reason will be even more thrilling. Around the men wound a story, piecing together the true incidents, piecing together the true incidents.

There are gangsters of course, yet the plot has been reversed. There is no praise for the criminal. He is not the hero of the film. He is set up as a glamorous figure to gain your sympathy. Rather he is pictured in his true light—cruel, heartless, hunted and despised. If he arouses pity at all, it is because a human being has slipped to such a level.

Just as American boys went overseas in defense of America, so have other men enlisted in this new war. But the Federal operators work without glory. They have fought, and they too have died, valiantly as the bravest war heroes—unsung—unheralded.

Since the Federal men have entered the picture, old crimes have been uncovered. Kidnappers have been tracked down. Mobsters and racketeers sent off to the pen, as the "G" men move forward in their determined effort to rid the land of the criminal and all the ruthless men he stands for. This headline news undoubtedly is the most compelling item on the front page today. It vitally concerns every decent law-abiding man, woman and child.

## A Statement From Waylon Rayburn

I wish it were possible for me to look every citizen of Calloway county in the face and explain my stewardship as your State Representative during the past two years; but as that is impossible, I am taking this opportunity of making a statement to you through the Press.

I have been severely criticized by some, and cussed, and discussed by others because I voted for the Retail Sales Tax. I sincerely believe that the only mistake I made in regard to the sales tax was in making the statement during my campaign that I would oppose the sales tax. I say to you that I made the mistake HONESTLY and because that I did not know at that time what the actual situation would be several months later when the Legislature convened. And I do not believe that any of you that have made a mistake some time in your life will consider this acknowledged mistake of mine a crime.

I found when the Legislature convened that there was no money in the State Treasury. That state warrants were selling for approximately eighty cents on the dollar, that money had to be raised to support our schools and colleges or else school terms would be cut short and the school children and college boys and girls of this state would be denied the educational opportunity rightfully due them.

UTILITIES ENGINEERING INSTITUTE  
404 N. Wells St., Chicago, Illinois

I found that the Federal Government was discussing the state's put up its part of the money for relief in this state or else there would be no money to feed the hungry and clothe the naked people of this state who were without jobs and consequently could not supply themselves. I found that you, the citizens of Calloway County, had voted in 1925 a three-hundred thousand dollar road and bridge bond and that there was no money in the County treasury to pay the installment then past due nor even the interest which was also past due. Also, I found that revenue had to be raised to support the penal and charitable institutions of this state which were then and are at present dangerously overcrowded.

We were faced with the stupendous responsibility of meeting the deplorable situation described above. I, for one was opposed to increasing the tax burden on the farmer, in fact I favored reducing that burden. We passed in the House a bill reducing the tax on farm lands, but the Senate changed that bill so as to make it apply to all real estate thereby releasing coal fields and big real estate interest and we had to conform to the Senate's wishes in order to give the farmers any reduction on their real estate. I favored then and favor now the exemption of residential real estate up to and including an approximate evaluation of \$3000.00. That would have given the little farmer relief and would not have released big interest as the bill does that the Senate forced upon us. We then tried to get some revenue from the liquor and beer industry, and I want it clearly understood that I voted for the HIGHEST TAX OFFERED ON WHISKEY, and we finally succeeded in getting a five cent per gallon production tax on whiskey plus of course the three per cent sales tax on the retail sales of liquor. Then we passed in the House a personal and corporate income tax AND IT WAS KILLED IN THE SENATE and we were faced with the responsibility of raising approximately ten million dollars to balance the State Budget.

The people throughout the State realized the seriousness of the situation and especially the dangerous consequence to our schools and as a result I received approximately 500 letters, from citizens of Calloway county urging me to vote for the sales tax, and I still have every one of these letters on file. Also, when the people throughout the State staged the big march on Frankfort, some three or four hundred people from Murray and Calloway County came to Frankfort and personally requested me to vote for the sales tax. AND NOT BEING A STUBBORN MAN, and realizing that something had to be done, as there

appeared no other solution, and as the sales tax bill was an emergency measure which expires June 30, 1936, I voted for the sales tax.

Now, I don't suppose that there is anyone that approves the sales tax as it is at present. Certainly a loaf of bread should be exempted and if the amount of purchase for collecting the first penny was raised from ten cents to twenty-five or thirty cents, as it is in other states, a loaf of bread would be exempted and a large amount of the objection would be removed, but I had nothing to do with that as the State Tax Commission fixed the rules and regulations for collection. And of course there has been extravagance in the spending of the State money of which I do not approve any more than any of you. But let us glance at the figures and see just what the benefits from the sales tax have meant to Calloway county.

Total Property tax paid in from Calloway Co. - \$ 9,187.47
Stales Tax paid in by Calloway County - 29,647.42
Total Property tax and sales tax paid in by Calloway County - 38,834.89
Sales tax money returned to Calloway Co. to apply to road bond - 26,391.96
School per Capita Money returned to Calloway County - 56,260.00
Free Text book money sent to Calloway Co. - 3,287.14
Total amount returned to Calloway County - 85,939.10
Thus you see that Calloway County has received \$47,104.21 more than has been paid in from Calloway County to say nothing of the appropriation to the College and the Relief money sent into the county.

I believe that the average farmer has saved a good deal more by reason of reduction of tax on real estate and reduction of tax on automobile license than he has paid out in sales tax. Before you condemn me too harshly, won't you do a little figuring and see if this is true. Also, won't you that have children to send to school, you that have benefited in any way from relief funds, you that are interested in maintaining the credit of the State and Calloway County, PLEASE consider the record of the man that opposed the reduction of tax on real estate, opposed reduction of tax on automobile license, and in fact opposed every thing without offering a single suggestion, before you criticize me so severely.

I have seriously considered offering as a candidate for the State Senate from the 3rd district this year. But as we have two candidates already, and one of them is a man who has been in Calloway County, and the other one living in Calloway at present, it seems that it would be foolish for another Calloway county man to get in the race. Hence I have decided NOT to be a candidate this year.

I have served you as your Representative honestly, and to the best of my ability under existing circumstances, and I assure you that I am not ashamed of any part of my official record. And as far as my vote on the sales tax is concerned, I don't believe that there is a single citizen in Calloway County but would have done as I did under the circumstances.

## Poultry Pointers for June

By J. E. Humphrey

How are your pullets developing? You know it is the well-grown early-maturing pullet that begins to lay early in the fall and keeps it up during the winter months. The way things look now egg prices should be good and even better next fall. Fewer eggs in storage, and fewer chickens on farms, together with a lowered egg production over the country are a few signals by which I have been guided to make the above statement. Consequently, the pullet crop should be looked after very carefully during the summer to insure good growth and health so that high egg production can be realized when eggs are scarce and prices good.

If at all possible move your pullets out on clean ground away from the old flock where they can grow and be kept free from worms, paralysis and other infections that we often find on the old poultry runs and in some cases doesn't seem to affect the old stock, but soon causes considerable trouble among the growing pullets.

An abundance of growing mash should be kept before the pullets in hoppers at all times. A satisfactory growing mash starting at 10 or 12 weeks is mixed wheat feed (shipstuff) 200 pounds; ground yellow corn 100 pounds; meat scrap or high quality tankage (60% protein) 100 pounds and salt 5 pounds. Grain, of course, should be fed in hoppers along with this mash.

Satisfactory grain may be corn alone or corn and wheat in the proportion that would be the most economical to feed. If the grain is not hopped fed the pullets may consume too much mash and come into production too early this fall before they are physically mature and as a consequence they will not be able to stand up under heavy production throughout the winter. Healthy chicks, good feed and the time spent with the flock are of little avail unless good management is practiced. The water and milk containers should be scalded once each week and cleaned daily. Very low roosts should be placed in the house when the chicks are 3 weeks old. By teaching the chicks to roost early the danger of crowding in the corner is largely eliminated. It is best not to remove the source of heat until the chicks are roosting. Inch mesh poultry wire should be nailed to the underside of the roosts to screen the chicks from the droppings. All cockerels except a few of the largest must be castrated and the cull pullets should be sold as broilers. Culls never pay. Keep a record

of your brooding operations and know what your pullets cost you. An abundance of water and shade should be supplied, especially during the hot summer months. A brood on a floor with a scrap of from which the water drips constantly into the pan or trough makes a good water container on the range.

Look out for lice and mites as the weather gets warmer. Use sodium fluoride or 40% nicotine for lice and drainings from the crankcase diluted with kerosene for mites in the house. If you don't have a copy of Leaflet No. 4, "Producing Profitable Pullets" or Extension Circular No. 157, "Brooding Chicks Artificially" obtain one from your County Agent or write the College of Agriculture for copies.

## Growers Mark and Set Aside Rented Tobacco Acreage

With tobacco setting well under way, adjustment contract signers are marking as rented to the government an acreage of representative tobacco land equal to 40 per cent of their base in the case of burley, and 20 to 30 per cent of their base where dark tobacco is grown. In other words, growers are preparing to certify that the land set aside to burley tobacco does not exceed 60 per cent of their base acreage, or 70 or 80 per cent of their base, where dark tobacco is grown.

Land set aside may be planted to food or feed crops for home consumption, but none may be put to crops for sale.

Growers also will be required to certify that no tobacco is being grown on any farm owned, controlled or operated by them which is not covered by a tobacco contract.

No tobacco plants grown on a farm under contract may be sold or otherwise disposed of to any person not operating a farm subject to a tobacco contract. The number of share-tenants and share-croppers engaged in growing tobacco on the farm of a contract signer is not to be reduced below the number engaged in 1933, because of the reduction in tobacco acreage and production or because of other provisions of the contract. Furthermore, it shall be construed as a violation of the contract if the proportion of the 1933 crop grown by tenants is reduced below the proportion so grown in 1933.

The second 1934 adjustment payment and the deficiency payment for the contract are to be distributed by the trustee to share-tenants and share-croppers having an interest therein in accordance with the terms of the contract.

Failure to make proper settlement with tenants will constitute non-compliance and will prevent certification of compliance for the 1935 crop.

## In Memory

In loving memory of Offie C. Harrison who was born July 13, 1898 and died June 12, 1934.

Offie was a kind and loving husband and left many relatives and friends who sadly miss him. But one who mourns him most and can never forget his many kind deeds and true heart is his wife.

A year has passed since that sad day. The one I loved was called away. God took him home. It was his will. But how I love and miss him still. —His wife.

## Will Represent Murray at Rotary International

Atty. and Mrs. Hall Hood and children left last Friday morning to drive to Ringgold, Louisiana. The children will visit their grandparents, Mr. and Mrs. Thomas while Mr. and Mrs. Hood attend the convention of Rotary Internationale in Mexico City. Mr. and Mrs. W. S. Swann left today to take the special Rotary train to the convention. They will be gone about two weeks. Mr. Hood is the president-elect of the Murray Rotary Club and will take office July 1. Mr. Swann was president of Rotary here in 1928.

Eight purebred bulls were bought by Knott county farmers from Bluegrass producers.
